### **New Business**

- ◆ Recovery Oriented Systems of Care - Achilles spoke about ROSC and the movement from an acute care model (treatment focus) to a recovery/support model. Examples of recovery/support include family involvement, employment, transportation, housing, medical, etc. It was noted that many of these support services exist, but that it is simply a matter of formalizing the working relationships between the different entities. ROSC will be a continued discussion as a formal ROSC plan is required for the county.

### **Announcements**

Theresa updated everyone on their ability to help navigate the marketplace for persons needing to sign up for insurance.

Rochelle updated on the health clinics in the school and the upcoming 5k Cupic Chase.

Kim updated everyone on the upcoming Valentine's Day Dance fundraiser and passed out invitations. Kim also passed the BCCADV calendar of events.

### **Next Meeting**
